INCITING INCIDENT

Self-Serving

You used your skills to collect incriminating or scandalous information about your opponents to blackmail them. A rival got one step ahead of you and stole your book of dirty secrets, but instead of using it against you, they gave you an opportunity to leave the world of politics behind. Saved from public humiliation, you now use your skills for the greater good.

ANCESTRY TRAITS AND PERKS

Spot The Tell

Whenever you make a test to read a person and obtain a tier 3 outcome, you notice several tells that give away their true feelings. Any test you make to read that person in the future gains an edge.

Thought But Withered

When your Stamina reaches the negative of your winded value, you become inert instead of dying. You fall prone and can't stand. You continue to observe your surroundings, but you can't speak, take main actions, maneuvers, move actions, or triggered actions. While inert this way, if you take any fire damage, your body is destroyed and you die. Otherwise, after 12 hours, you regain 7 Stamina
